ON-GOING SUPPORT & ACCOUNTABILITY

# COACHING OVERVIEW

## FLEXIBILITY

This time can be used however and whenever it is needed. For some it is used for on-going accountability and additional support (as an extension of their initial Coaching program), and for others it is to tackle specific issues or projects.

The flexibility mean the time can be used as a pay-as-you-go type service, “banking” any remaining time and scheduling follow-up calls to check on progress and offer additional support & advice.

**INVESTMENT** – Coaching is charged at a rate of £300.00 per hour. (After session 1 we can move on to a “pay-as-you-go service”, using the time as and when it’s needed)

## COACHING PACKAGES

4 hours of Remote Coaching time would be £1,100 (to be used within 3 months)

6 hours of Remote Coaching would be £1,500 (to be used within 6 months)

*(Business terms – 50% is due upon confirmation and remaining balance due prior to the program start date.)*
